About me

I'm a Product Designer with a postgraduate degree in UX, experience in digital projects, design systems, and a strong focus on accessibility. I aim to create functional, consistent, and user-centered interfaces, working closely with development to ensure quality and alignment. I enjoy being involved throughout the entire process, with attention to detail and the final experience.

Education | *Postgraduate*

User Experience Design and Beyond, 2025

Postgraduate Certificate – Pontifical Catholic University of Rio Grande do Sul

Focused on usability, user research, information architecture, and user-centered design.

Graphic Design, 2023 - 2024

Associate – UNINTER

Focused on visual design fundamentals, typography, branding, and graphic tools.

Work experience | *5 Years total*

Mid-level Product Designer, since 2022

Since 2022, I've been working as a Product Designer at Keyrus, starting as a junior and currently in a mid-level role. I led end-to-end projects, conducted client meetings, developed the company's design system, and delivered internal training. Clients included Honda, Frattina, Wizard, Döhler, Waaw by Alok, The North Face, and Mercafé.

Mid-level Software Designer at Superior, nov 24 - fev 25

Jr. UI Designer at Esfera, fev 2022
